FEEDBACK FROM STUDENTS:

SANCET collects Feedback from the students regularly. The college has designed a feedback system on subjects, faculty, department and infrastructure of the college. The feedback is collected at the end of the semester and is analysed and discussed in the academic council. Students fill the feedback from their own college login personally. This system is implemented from the academic year 2017 – 18. The year-wise and branch-wise analysis of student's feedback is given below:
