COLLEGE OF ENGINEERING AND TECHNOLOGY

VOLUME-II ISSUE-II

NEWS EPISTLE

FEB - JUNE 2016

It gives us great pleasure to bring you the fourth issue of St. Anne's news epistle. The name and fame of the college depends on the caliber and achievements of the students and staff members. The role of a staff is to be a facilitator in nurturing the skills and talents of students. This magazine is a platform to exhibit the literary skills and innovative ideas of the staff and students. This magazine has recorded achievements such as: conferences, seminars, workshops and guest lecturers attended by staff and students, Industrial visits, soft skill trainings and sport activities etc.,

I would like to place on record my gratitude and heartfelt thanks to all those who have contributed to make this effort a success. I profusely thank the management for giving support and encouragement and a free hand in this endeavor.

Best Wishes,
Dr. R. Arokiadass, M.E., Ph.D.,
Principal.

ELECTRONICS AND COMMUNICATION ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Mrs. M. Vaidehi, Assistant Professor published a paper on “Efficient Fault Detection Model Design “Hamming SEC-DAED-TAED-TETRA AED” Based AES Encryption and Decryption” in International Journal of Applied Engineering Research ISSN 0973-4562 Volume 11, Number 7 (2016) pp 4945-4950, Research India Publications, 2016.
- Mrs. M. Vaidehi, Assistant Professor published a paper on “Enhanced MixColumn Design for AES Encryption” in Indian Journal of Science and Technology, Vol 8(35), DOI: 10.17485/ijst/2015/v8i35/82302, December 2015.
- Mr. G. Mahendiran, Assistant Professor, participated in a “NPTEL workshop” at Rajiv Gandhi College of Engineering and Technology, Puducherry on 11th January 2016.
- Mrs. M. Vaidehi, Assistant Professor and Mrs. D. Umamaheswari, Assistant Professor, presented a paper on “Adaptive Hardware Design for Computing Efficient Singular Value Decomposition in MIMO-OFDM System” in NCRDSET’16 at St.Anne’s College of Engineering & Technology on 26th February 2016.
- Ms. B. Mary Amala Jenni, Assistant Professor and Ms. S. Devika, Assistant Professor, presented a paper on “Fault Detection using AES-Cipher Block Chaining Mode for Secured Wireless Communication Networks” in NCRDSET’16 at St.Anne’s College of Engineering & Technology on 26th February 2016.
- Mr. S. BalaBasker, Assistant Professor and Mr. R. Annamalai, Assistant Professor, presented a paper on “Internet of Things Based Smart Vehicle Management System” in NCRDSET’16 at St.Anne’s College of Engineering & Technology on 26th February 2016.
- Mr. R. Radhakrishnan, Assistant Professor, Mr. G. Mahendiran, Assistant Professor and Mr. V.Venketasan, Assistant Professor, presented a paper on “Design of Modified Architecture of Adaptive Viterbi Decoder” in NCRDSET’16 at St.Anne’s College of Engineering & Technology on 26th February 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- Department of ECE arranged a guest lecturer in the stream of “Internet of things” conducted by Mr. R. Maheshwaran., MD/CEO of smart technologies, Pondicherry on 12th March 2016.

Internet of things

FARE-WELL

- Students of Electronics and Communication Engineering of St.ANNE’S CET organized FARE-WELL for the passed out batch 2K16. The juniors expressed their heart-felt parting feelings to their seniors. The students presented various acts for entertainment of seniors.

- In the vibrant atmosphere, all parting students remembered their good olden memories and cherishable moments. Juniors gave titles to the seniors. Games and activities like mimicry, quoting title for fellow mates, singing were organized and were thoroughly enjoyed by all . The function was also attended by Principal and Vice Principal along with Department HOD and faculty members.

Students Achievements

- Ms.S.Anitha, Ms.M.Vidhya and Ms. S. Nalina of IV year won 3rd prize in paper presentation at MECH-O-DROIDZ 2K16, National Level Technical Symposium held at St.Anne’s College of Engineering & Technology on 30th March 2016.
- Ms. R.Vino and Ms. V.Heera of III year won 1st prize in paper presentation on “IOT based Vehicular pollution monitoring system” in 6th National Technical symposium Agnimitra at University College of Engineering, Villupuram on 23rd and 24th March 2016.
- Ms. S. Nalina, Ms. M. Vidhya, and Ms. S. Anitha of IV year participated in IFET Xecute’16 National Level Project Expo at IFET College of Engineering and Technology on 28th March 2016.
- Mr. S. Anbarasan of III year presented a paper in a 6th National Technical symposium Agnimitra at University College of Engineering, Villupuram on 23rd and 24th March 2016.
- Ms. K. Subasri of III year presented a paper on “Estimate the EMG signal from ECG signal” in 6th National Technical symposium Agnimitra at University College of Engineering, Villupuram on 23rd and 24th March 2016.
- Ms.K. Subasri, Ms. V. Heera, Ms. R.Vino and Mr.S. Anbarasan of III year participated in one day workshop on “Rasberry Pi” in 6th National Technical symposium Agnimitra at University College of Engineering, Villupuram on 23rd and 24th March 2016.
- Ms.K.Subasri, Ms. V.Heera , Ms. R.Vino and Mr.S.Anbarasan of III year participated in one day workshop on “Recent Trends In Wireless Communication” in 6th National Technical symposium Agnimitra at University College of Engineering, Villupuram on 23rd and 24th March 2016.

Industrial visits

- II year students visited “DOORDARSHAN KENDRA” in Chennai on 5th February 2015.
- IV year students visited “Power Project (Wonderla)” in Kochin (Kerala) on 11th February 2016.

ELECTRICAL AND ELECTRONICS ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Mr.J.Ramesh, Assistant Professor participated in the NPTEL Workshop conducted by IIT Madras at Rajiv Gandhi College of Engineering and Technology, Puducherry on 11th January 2016.
- Mr.K.Sriram, Assistant Professor , Mr.J.Ramesh, Assistant Professor, Mr.A.Richard Pravin, Assistant Professor and Mrs.S.Lese, Assistant Professor has published a paper in IOSR Journal of Electrical and Electronics Engineering titled “Group Search Optimization Technique Based Minimization of Reactive Power Generation in Power System” Volume 11, issue 1, February 2016.
- Mr.V.C.Eugin Martin Raj, Assistant Professor and Mrs.S.Lese, Assistant Professor has published a paper titled “A Novel Approach for Power Factor Correction Using Microcontroller in Domestic Loads” in Middle East Journal of Scientific Research 24 (4): 1042-1046, 2016, ISSN 1990-9233.
- Mr.J.Ramesh, Assistant Professor participated in Two Days Workshop on “Embedded Systems Using ARM Controller” by Enthu Technology Solutions India Pvt. Ltd from 9th and 10th June 2016 .
- Mr.A.Richard Pravin, Mr.V.Balaji, Ms.R.Sivasankari and Mr.K.Sriram Assistant Professors has participated in TEQIP Phase II Sponsored Short Term Training Programme on “Recent Advances in Process Modelling, Control and Optimization Techniques (RAPMCOT)” at Pondicherry Engineering College from 13th to 18th June 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- A value added course on “Project Based Learning Using MATLAB” was conducted by the Department of Electrical and Electronics Engineering for the students of Sri Mahalakshmi Polytechnic College on 8th January 2016 .
- “Energy and Envirovision Club” was inaugurated by Mr.J.Jayasamraj, Director, National Power Training Institute, Neyveli and a Guest Lecture was delivered by Mrs.Amirthavalli, Deputy Director, National Power Training Institute, Neyveli on “ Electric Energy Conservation” on 19th February 2016. As a part of the club activity 100 saplings were planted and Energy Conservation awareness stickers were pasted in our campus in order to promote energy conservation .

Project based learning using MATLAB

“Electric Energy Conservation”

Students Achievements

- R.Giritha, V.Rekha, S.Sowmiya and S.Chandraleka of IV year EEE has presented a paper on “ PI Controller Based Bidirectional Soft Switched Converter for Motor Drive Applications” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016.
- G.Gnanasundari and B.Dhivyabharathi of III year EEE has presented a paper on “GSO based Load Frequency Controller for Single Area Power System” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016.
- R.Arulselvi of IV year EEE has presented a paper on “Battery Energy Storage System for Standalone Windmill-based on State of Charge (SOC) Balancing Control” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016.
- A.Kalaivani of IV year EEE has presented a paper on “Student's Perception in Plagiarism” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016.
- S.Parthiban, M.Sampath Raj, N.Praveen Raj, M.Vivekananthan, R.Rajan Badar of III year EEE has participated in Two Day workshop on “ADVANCED INDUSTRIAL ROBOTICS” conducted by AGIIT in Association with Robotics Learning Development Cell (RLDC) at Dr. Mahalingam college of engineering and technology, pollachi on 11th and 12th March 2016.
- S.Sowmiya of IV year EEE won First Place in Circuit Debug in 19th National Level Technical Symposium, “ATCE FEST – 2K16” on 12th March 2016.
- R.Giritha of IV year EEE won Second Place in Technical Quiz in 19th National Level Technical Symposium, “ATCE FEST – 2K16” on 12th March 2016.
- S.Chandralekha, R.Kalaivani, S.Sowmiya, N.Banumathi and R. Giritha, IV year EEE has Participated in paper presentation in 19th National Level Technical Symposium, “ATCE FEST – 2K16” held at Annai Theresa College of Engineering on 12th March 2016.
- G.Gnanasundari ,B.Divyarathi, A.Suresh kumar,S.Balamurgan, R.Muglian of III year EEE has participated in the paper presentation in A National Level Technical Symposium “Electrovision'16” organized by the Department of Electrical and Electronics Engineering in association with ISTE and Career Guidance Bureau at V.R.S. College of Engineering and Technology on 17th March 2016.
- R.Giritha and S.Sowmiya of IV year EEE has participated in paper presentation in National Level Technical Symposium “MECH-O-DROIDZ 2K16 held on 30th March 2016.

COMPUTER SCIENCE AND ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Mrs. Z. Asmathunnisa, Assistant Professor presented a paper titled “Chunking and Indexing Mechanism for data De-Duplication in Clouds Storage” and won first prize in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mrs. D. Pauline Freeda, Assistant Professor & Head, presented a paper on “Trusted CBCR Scheme to Enhance the Performance and Security in MANETS” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Sr. A. Avila Therese, Assistant Professor presented a paper on “Cryptography And Efficient Data Transmission For Cluster-Based Wireless Sensor Networks” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mrs. M. Senthamarai Selvi, Assistant Professor presented a paper titled “A Knowledge Discovery Framework for Healthcare Using BDCAM” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “(NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February.
- Mr. A. Deiveegan, Assistant Professor, Mr. X. Martin Lourdu Raj, Assistant Professor, presented a paper titled “Internet of things for smart cities” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mrs. P. Meena, Assistant Professor, presented a paper titled “Rain Streaks Detection And Removal From Color - Image Video Using Sparse Representation” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mr. S. Rajarajan, Assistant Professor presented a paper titled “Dynamic collaboration in multi cloud computing environments: framework and security issues” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mrs. K.Poornambigai, Assistant Professor, Mrs. P.Meena, Assistant Professor, presented a paper titled “Privacy Enhancement of Social Network Security by Third Party Application” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mr. S. Manavalan, Assistant Professor. Mr. D. Varadharajan, Assistant Professor, presented a paper titled “Cryptography And Efficient Data Transmission For Cluster-Based Wireless Sensor Networks” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.

- Mr. S. Jerald Nirmal Kumar, Assistant Professor, presented a paper titled “Data Storage Security And Privacy In Cloud” in the “National Conference on Research and Development in Science, Engineering and Technology ‘16 “ (NCRDSET ‘16) at St. Anne’s College of Engineering and Technology, Panruti on 26th February 2016.
- Mr. S. Jerald Nirmal Kumar, Assistant Professor, participated 3 days workshop on “Application Development, Deployment and Testing on the Cloud” at Anna University, Chennai from 21st to 23rd March 2016 .
- Mrs. M. Senthamarai Selvi, Assistant Professor, and Mr. S. Rajarajan, Assistant Professor, participated in 2 days workshop on “Cryptography and Network security Lab” at A.V.C. College of Engineering, Mayavaram on 30th & 31st of May 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- Workshop on Core JAVA was conducted by CoSTA for the DCE III year students of Hyagreeva Polytechnic College, Sooramangalam, Puducherry on 28th January 2016 by Mr. D. Varadarajan, Assistant Professor. and Mrs. P. Meena, Assistant Professor.
- One day seminar on “Basics on Computer Networking” to III year ECE students of Annai Velankanni Polytechnic College, Panruti was conducted by Mr. S. RajaRajan, Assistant Professor and Mr. X. Martin Lourdu Raj, Assistant Professor on 17th March 2016.

Computer Networking

- One day workshop on “Core JAVA” to II year CSE students was presented by Mrs. P. Meena, Assistant Professor and Mr. D. Varadharajan, Assistant Professor, on 28th March 2016.
- One day Guest Lecture on “Pattern Classification Techniques” was presented by Dr. K. Vaidegi, M.E., Ph.D., from Annamalai University, Chidambaram on 11th April 2016. All CSE Department students were benefitted by this lecture.

Core Java

Students Achievements

- Mr. K.G. Harishkumar, Mr.K. Pushpa kumar, and Mr. S. Kishore of IV year presented a paper titled “Reducing the Energy Consumption in DVFS by using Performance Optimizing Scheme” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016
- Ms .D. Sivaranjani, Ms. P. Shanmugapriya of IV year presented a paper titled “Trusted CBCR Scheme to Enhance the Performance and Security in MANETS” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016
- Ms. D. Rani, Ms. M. Kayalvizhi, and Ms.V. Ramya of III year presented a paper titled “Secure Data Transmission Technique for iPhone using Quick Response (QR) Code” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016
- Ms. S. Manju of II year presented a paper titled “Android Based Children Tracking System Using Voice Recognition” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016
- Mr.S. Salman, Mr.E. Veeramani, and Mr.R. Prathap Miras of II year presented a paper titled “Home Automation Using Internet of Things” in 2nd National Conference on Research and Development in Science, Engineering and Technology '16 (NCRDSET'16) at St.Anne's College of Engineering and Technology on 26th February 2016
- Mr. K.G. Harish Kumar, Mr. K. Puspa Kumar and Mr.S.K. Adityakasi Swaminadhan participated in National Level Project Expo titled “ IFET XECUTE'16 “at IFET College of Engineering, Villupuram on 28th March 2016.

Industrial visit

- Our department II year students visited Doordarshan Kendra, Chennai on 23rd February 2016.
- Our department III year students went on a one day Industrial visit to Doordarshan Kendra, Kodaikanal on 12th March 2016.

Doordarshan Kendra - Chennai

MECHANICAL ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- D. Ommurugadhasan and K. Saravanan published paper with the title” Fabrication and Analysis of Various Biomass Using Slow Pyrolysis Reactor” in the journal Middle-East Journal of Scientific Research 24 (4): 1047-1051, 2016 ISSN 1990-9233.
- Mr.R.Sasikumar, had participated in the One day Workshop on “The Art of Writing Research article and Publication”at SKP of Engineering College Tiruvannamalai on 28th April 2016.
- Mr.R.Sasikumar and Mr.U.Naveenkumar had participated in the two days National level seminar on “ Recent Advances in Orthopedic implants using Nano Technology” at VRS College of Engineering and Technology,Arasur on 9th and 10th May 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- Mr.K.Shanmuga Elango, Mr.K.Saravanan conducted one day workshop “Advanced internal combustion Engine” was organized by the Department of Mechanical Engineering for the Students of Haygreiva Polytechnic College on 27th January 2016.
- Mr. D. Ommurugadhasan, Mr. K. Shanmugaelango, Mr.R. Sasikumar and Mr.P.Murugan conducted one day workshop “Advanced Trends on Automobile Engineering” was organized by the Department of Mechanical Engineering for the students of Annai Velankanni Polytechnic College on 30th January 2016.
- Mr. Shankar, Chief Manager –Energy NLC, Neyveli, inaugurated “Energy Club” which was organized by the Department of Mechanical Engineering on 13th February 2016.

“Energy Club”

- Mr.E.Mohanakrishnan, Director LPA Risk Management Service pvt Ltd, Chennai conducted Guest lecture on “Product Design and Development” by Industry Institute Interaction Cell on 1st March 2016.
- Dr.S.Gopalakannan, professor and head Department of Mechanical Engineering, Adhiparasakthi Engineering College, Melmaruvathur, conducted Guest lecture on “Advanced Machining Process” on 16th March 2016.
- MESA proudly Presents Mech o Droidz, National level Symposium which was conducted on 30th March 2016 by Department of Mechanical Engineering .

National level Symposium

- Mechanical Department farewell day celebration was on 12th April 2016.

SCIENCE AND HUMANITIES

Faculty attended Conferences/ Workshops / Seminars

- Mr. A. John Peter had published a paper entitled on “Luminescence properties of novel $\text{Li}_3\text{Ba}_2\text{Gd}_3(\text{MoO}_4)_8:\text{RE}^{3+}$ (RE= Pr^{3+} , Sm^{3+}) red phosphors” in International Journal of Chem Tech Research, CODEN (USA): IJCRGG ISSN: 0974-4290 Vol. 9, No. 04, pp 625-633, 2016.
- A.Azhagappan, Associate professor in Mathematics presented research paper in the one day National Conference NCRDSET on the topic “Transient Analysis of an M/M/1 Queue with Single Working Vacation and Variant Impatient Behavior” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- A.Azhagappan, Associate professor in Mathematics presented research paper in the one day National Conference NCRDSET on the topic “Transient Analysis of M/M/1 Queue with Server Vacation, Impatient Customers and a Waiting Server Timer” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- Mrs.S.Bharathi Asst.professor in English and Ms.Datchayani of I EEE presented a research paper in the one day National Conference NCRDSET on the topic “ ENRICH YOUR ENGLISH” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- Mrs.L.M.Sowmya,Asst.professor in English presented a research paper in the one day National Conference NCRDSET on the topic “COMMUNICATION SKILLS FOR ENGINEERING STUDENTS” at St. Anne’s College of Engineering and Technology on 26th February 2016.

- G. AbiramasundarI, S.Ramya, T.Natramiz raja venthan, Asst. professors in Chemistry presented a research paper in the one day National Conference NCRDSET on the topic “Photocatalytic disinfection of bacteria by nanocomposite ZnO-TiO_2 and detoxification of cyanide under visible light” at St.Anne’s College of Engineering and Technology on 26th February 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- As a part of SHESHA’s activity a guest lecture on “Mathematical applications in Engineering” was conducted on 28th March 2016 in our college premises. Dr. J. Ravi Sankar , Senior asst. professor , School of Advanced Sciences , VIT university, Vellore gave an interesting speech on how to handle maths very easily. It was a very useful programme for all the 1st year students.
- A 30 day spoken English course was conducted for the 1 year students from August 11 to September 11th. Trained experts from veta spoken English group gave coaching for nearly a month. The students learnt the basics of English and the fear of speaking in English was totally removed. It was a very useful certified course.

Students Achievements

- V. Bala Murugan I-Mech and A. John Peter AP/PHY presented a research paper in the one day National Conference NCRDSET on the topic “Various Display Technologies” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- T. Alan Arputha Raj I-Mech, A. John Peter AP/PHY presented a research paper in the one day National Conference NCRDSET on the topic “Power Your Entire Home Without Wires” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- M. Bala Murali, K.Nithyanandham I-Mech, A. John Peter AP/PHY presented a research paper in the one day National Conference NCRDSET on the topic “Light-Fidelity (Li-Fi) Technology: A Review” at St.Anne’s College of Engineering and Technology on 26th February 2016.
- Ezekiel.A, Padmanathan.D I-Mech, A. John Peter AP/PHY presented a research paper in the one day National Conference NCRDSET on the topic “Room Temperature Synthesis of $\text{NaY}(\text{MoO}_4)_2:\text{Pr}^{3+}$ Nanophosphor With Blue Excitation For WLED Applications” at St.Anne’s College of Engineering and Technology on 26th February 2016.

Sports Activities

- Our students won 1st prize Anna university zone V Foot ball match at V.R.S Engineering College Arasur held on 4th to 5th March 2016.
- Our students won 1st prize in the Foot ball at Savetha Engineering College Chennai held on 7th to 8th March 2016.
- Our students won 4th place JETS tournament in the Foot ball at St. Joseph’s Engineering College (Jeppiar Groups) Chennai on 12th to 14th March 2016.
