

ST. ANNE'S

COLLEGE OF ENGINEERING AND TECHNOLOGY

VOLUME-III ISSUE-I

NEWS EPISTLE

JULY - DEC 2016

It is my pleasure to write as the editor of the fifth issue of the St. Anne's News epistle. The news letter is launched with the objective of dissemination and compilation of information related to the college. It reports on the various significant activities and achievements of the staff and students, along with other information of the College. It is really heartwarming to see all the contributions. I appreciate the time and effort that have been devoted by the staff and students.

My heartfelt thanks to the management for giving support and encouragement for the success of the St. Anne's News epistle.

Best Wishes,
Dr. R. Arokiadass, M.E., Ph.D.,
Principal.

FROM THE EDITOR'S DESK

YOUR COLLEGE!!!

YOUR FUTURE!!!

BUILD YOUR CAREER!!!

St. Anne's Feast Celebration

Pooja festival Celebration

Christmas Celebration

PLACEMENT CELL

Two Days Workshop on "Aptitude"

National Service Scheme (NSS) Activities

• Election Commission of India and our college NSS team jointly conducted "Voters Rights Awareness Rally" in and around Panruti town during Election period.

• NSS of our college conducted a seminar and camp on "Hygienic Health Care for Women" by Dr. Ramya and Dr. Deepa, Asst. Civil Surgeon, Cuddalore GH on 4th August, 2016. Girl Students and Women Staff members were benefited by this programme.

"Hygienic Health Care for Women"

ENTREPRENEURSHIP CELL

• Entrepreneurship Cell of our college conducted the "Entrepreneurship Awareness Programme" by Mr. V. Vasanthan, Branch Manager, Tamilnad Mercantile Bank, Panruti on 24th September 2016.

"Entrepreneurship Awareness Programme"

RECREATION CLUB

One day Staff Tour to "Yercard"

ELECTRONICS AND COMMUNICATION ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Sr. Anita, HOD/ECE published a paper on “Early Prediction of Parkinson’s Disease using Artificial Neural Network” in an Indian Journal of Science and Technology, Vol 9(36), September 2016.
- Sr. Anita, HOD/ECE inaugurated the Engineer’s day Celebration and addressed to the students about the “Importance of Engineering in this Modern World” at St. Anne’s College of Engineering & Technology on 15th September 2016.
- Mrs. M.Vaidehi, Asst. Professor, has attended Two Days Faculty Development Programme on “Stress Management” in Association with ICT academy organized by MRK Institute of Technology, Kattumannarkoil on 21st & 22nd December 2016.
- Mr. R. Radhakrishnan, Asst. professor, Mr. V.Venkatesan, Asst. professor and Ms. S.Devika, Asst. professor, has attended Seven Days Faculty Development Training Programme on “EC 6402-Communication Theory” approved by centre for Faculty Development, Anna University, Chennai conducted at MRK Institute of Technology, Kattumannarkoil from 29th November to 10th December.
- Mr. G. Mahendiran, Asst. professor, presented a paper titled “Secure Data Storage using Decentralized Access Control in Cloud” in an International conference (ICCCE-2016) at University College of Engineering, Villupuram on 29th & 30th Dec, 2016.
- Mrs. D. Umamaheswari, Asst. professor, Mr. R. Radhakrishnan, Asst. professor and Ms. B. Mary Amala Jenni, Asst. professor, has participated in the International Conference on “Communication And Control Engineering” (ICCE-2016) organized by the Department of Electronics And Communication Engineering, University College of Engineering, Villupuram on 29th and 30th December 2016.
- Mrs. M.Vaidehi, Assistant Professor, conducted a seminar on “Responsibility of Engineers” for all the ECE students at St. Anne’s College of Engineering & Technology on 9th July, 2016.
- Mr. R. Radhakrishnan, Assistant Professor, Ms. B. Mary Amala Jenni, Assistant Professor and Ms. S.Devika, Assistant Professor, conducted a workshop “DIGITAL IMAGE PROCESSING” for IV year students at St. Anne’s College of Engineering & Technology on 6th and 7th August 2016.
- Mrs. D. Umamaheswari, Assistant Professor, Mr. S.Balabasker, Assistant Professor, Mr. G. Mahendiran, Assistant Professor and Mr. V.Venkatesan, Assistant Professor, conducted a workshop “ARDUINO WORKSHOP FOR BEGINNERS” for IV year students at St. Anne’s College of Engineering & Technology on 1st and 2nd September 2016.
- Mr. S.Balabasker, Assistant Professor, conducted software training program on “Proteus Software” for IV year students at St. Anne’s College of Engineering & Technology on 20th August 2016.
- Mr. R. Radhakrishnan, Assistant Professor, conducted software training program on “Scilab Software” for IV year students at St. Anne’s College of Engineering & Technology on 27th August 2016.
- Ms. S.Devika, Assistant Professor, conducted software training program on “Sim8085” Simulator software for II and III year students at St. Anne’s College of Engineering & Technology on 27th August 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- Two days hands on training on “EMBEDDED SYSTEMS USING ARM CONTROLLER” by Mr.K.Moorthi of Enthu technology solutions at St. Anne’s College of Engineering & Technology on 9th and 10th June 2016. The workshop was attended by many staff members from nearby colleges and IV year students.

EMBEDDED SYSTEMS USING ARM CONTROLLER

ARDUINO WORKSHOP

- Two days workshop for IV year students on “DIGITAL IMAGE PROCESSING” by Mr. R. Annamalai, Asst. professor, Govt Polytechnic College, Polur. The workshop was assessed by Mr. R. Radhakrishnan, Asst. professor, Ms. B. Mary Amala Jenni, Asst. professor and Ms. S. Devika, Asst. professor, St. Anne’s College of Engineering & Technology on 6th and 7th August 2016.
- One day workshop on “ARDUINO WORKSHOP FOR BEGINNERS” by Mr. S.Balabasker Asst. professor, St. Anne’s College of Engineering & Technology. The workshop was assessed by Mrs. D. Umamaheswari, Asst. professor, Mr. G. Mahendiran, Asst. professor and Mr. V.Venkatesan, Asst. professor on 1st and 2nd September 2016.
- Engineer’s Day was celebrated on 15th September 2016. Our HOD stressed the importance of the Engineers day and duties and responsibilities of Engineers. Various competitions including Technical and Non-Technical programs were conducted for students

Other Activities

- Department of ECE Staff members and IV year students visited Global Trust for the Differently Abled children on 29th July 2016. The students helped to feed the differently Abled students with food and ice creams. The students of the trust were very happy.
- Department of ECE Staff members and II and III year students visited Vidivelli at Karur By-Pass Road, Near Chathiram Bus Stand, and Trichy on 6th Aug 2016. Around 125 Children are taking care by Principal and Correspondent, Sr. Dayana with help of Special Teachers. These special teachers, with a sense of commitment in the cause of rehabilitation of the mentally-challenged children, were a symbol of selflessness.

- Department of ECE conducted student’s refreshment programs like games, quiz, etc to encourage the students. All the students were participated in most of the events with lot of expectations and enjoyments.

Students Achievements

- IV year students participated in two days hands on training program cum workshop on “Embedded Systems using ARM controller” at St.Anne’s College of Engineering and Technology on 9th and 10th July 2016.
- IV year students participated in “ARDUINO WORKSHOP FOR BEGINNERS” in an Electronics & Communication Scientia Association held on 1st & 2nd September, 2016 at St.Anne’s College of Engineering and Technology on 9th and 10th July 2016.
- Mr. Mohamed Al Jafran of IV year won 2nd prize in Paper Presentation held as a part of FORZA’16-a National level technical symposium at St.Anne’s College of Engineering and Technology on 26th August 2016.
- Ms.S.Indhumathi of IV year participated in “Photography” & “Circuit Debugging” contest held as a part of FORZA’16- a National level technical symposium on 26th August 2016.
- Ms. K.Subasri of IV year presented a paper on “Wireless Electric Board for Arm Based Embedded Systems” in National Level Technical Festival Neithal ’16 held at CK College of Engineering & Technology, Cuddalore on 31st August 2016.
- Ms.K. Subasri of IV year participated “Technical Quiz” in National Level Technical Festival Neithal ’16 held at CK College of Engineering & Technology, Cuddalore on 31st August 2016.
- Mr.T.Arun Raja and Mr.V. Babu of IV year presented a paper on “Generation of Mobile Communication” in National Level Technical Festival Neithal ’16 held at CK College of Engineering & Technology, Cuddalore on 31st August 2016.
- Mr.T.Arun Raja of IV year won 2nd prize in Photography contest of National Level Technical Festival Neithal ’16 held at CK College of Engineering & Technology, Cuddalore on 31st August 2016.
- Mr.V. Babu of IV year participated in Photography contest of National Level Technical Festival Neithal ’16 held at CK College of Engineering & Technology, Cuddalore on 31st August 2016.
- Mr.T.Arun Raja and Mr.V. Babu of IV year presented a paper on “Next Generation Wireless Networks using Cognitive Radio” in Anna University of Ariyalur Campus.
- Mr.T.Arun Raja of IV year won 3rd Prize “Technical Quiz” in Anna University of Ariyalur Campus.
- Mr.V. Babu of IV year Participated “Technical Quiz” in Anna University of Ariyalur Campus.
- Mr.T.Arun Raja and Mr.V. Babu of IV year participated in “Circuit Debugging” in Anna University of Ariyalur Campus.
- Mr.V.Vinoth Kumar of IV year won 1st prize in “Line Follower” contest in Anna University of Panruti Campus.
- Mr.P.Ravi Kumar, Mr.V.Vinoth Kumar and Ms. K.Subasri of IV year participated in “Line Follower” contest for SPECTRANZ 2k16 on 17th September 2016, held at Velammal engineering College, Chennai.

Industrial visits

- II and III year ECE students visited BSNL, Trichy on 5th February 2015 along with Sr.Anita HOD/ECE and staff members Mrs. D. Umamaheswari Asst.professor, Mr. S.Balabasker Asst.professor, Mr. G. Mahendiran, Asst.professor and Mr. V.Venketasan, Asst. professor.

ELECTRICAL AND ELECTRONICS ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Ms.R.Sivasankari, Assistant Professor, Mr.A.Richard Pravin, Assistant Professor and Mr.V.C.Eugin Martin Raj, Assistant Professor has published a technical book titled “Power Electronics for Renewable Energy Systems” in Charulatha Publications 2016.
- Mr.K.Sriram, Assistant Professor has attended two days workshop on “Metaheuristic Optimization Algorithms and their Applications to Power Systems” at Annamalai University, Chidambaram on 9th and 10th September 2016.
- Mr. A. Richard Pravin, Assistant Professor delivered a lecture on “Basics of Electrical Engineering” in a Training Programme on Solar Energy Technology organized by Government of India, Ministry of Micro, Small & Medium Enterprises, MSME - Development Institute at Stanford International Hr. Sec. School., Puducherry on 20th September 2016.
- Mrs.S.Lese, Assistant Professor and Mr.V.C.Eugin Martin Raj, Assistant Professor has published a paper titled “Bat Inspired Algorithm Based Interval Type-II Fuzzy Controller for Load Frequency Control in Single Area Power System” in the Journal of Technological Advances and Scientific Research / Volume 2/ Issue 4/ October-December 2016.
- Ms.R.Sivasankari, Assistant Professor has published a paper titled “Dual Output Inverters for AC loads” in the Journal of Technological Advances and Scientific Research / Volume 2/ Issue 4/ October-December 2016.
- Mr.A.Sundarapandiyam, Assistant Professor, Mr.V.Balaji, Assistant Professor, Mr. J.Ramesh, Assistant Professor and Mr.A.Richard Pravin, Assistant Professor has participated in one day Seminar on “Smart Grid” at Kumaruguru College of Technology, Coimbatore on 2nd December 2016.
- Mr. K.Sriram, Assistant Professor, Mr. A.Richard Pravin, Assistant Professor, Mr. J.Ramesh, Assistant Professor and Mr. A.Sundarapandiyam, Assistant Professor has presented a paper titled “Load Forecasting of Andhra Pradesh Grid using Group Leader Optimisation Algorithm” in an International Conference on Communication and Control Engineering (ICCCCE – 2016) held in university College of Engineering, Villupuram on 29th & 30th December 2016.
- Mr. V. Balaji, Assistant Professor has participated in an International Conference on Communication and Control Engineering (ICCCCE – 2016) held in university College of Engineering, Villupuram on 29th & 30th December 2016.

Solar Energy Technology

Guest Lectures/Workshops/Seminars/Events conducted

• A National Level Technical symposium FORZA'16 was organized on 26th August 2016. Mr.I.Nedumaran, Additional DGM, Education Department, NLC India Limited was the Chief Guest. More than 300 participants from various Engineering colleges enthusiastically participated in various Technical and Non Technical events and bagged cash prizes.

FORZA'16

• A Skill Based Learning Using MATLAB was conducted by Mr.K.Sriram, Assistant Professor for the students of IV year, Electrical and Electronics Engineering on 7th September 2016.

Skill Based Learning using MATLAB

• A preliminary Energy Audit has been made for Annai Annamal Block as a part of Energy and Envirovision Club activity and its detailed report of findings as well as a set of upgrade recommendations were presented to Our Secretary, Rev. Mother, Victoria and our Principal, Dr.R.Arokiadass by Mr.K.Sriram and Mr.A.Richard Pravin on 12th December 2016.

"Energy and Envirovision Club activity"

Students Achievements

- S.Parthiban of IV year has attended an internship training programme at Enthru Technology Solutions, Coimbatore from 19th to 24th December 2016.
- S.Ajay of IV year has undergone In-Plant Training in Manufacturing Operations at Lenova (India) Pvt. Ltd. from 18th to 30th July 2016.
- B.Dhivyabharathi, G.Gnanasundari and P.Tamil Selvi of IV year presented a paper in a National Level Technical Symposium "FORZA'16" at St.Anne's College of Engineering and Technology, Panruti on 26th August 2016.
- K.Ajith Kumar and V.Karthick of III year has participated in Paper Presentation and Technical Quiz in a National Level Technical Symposium "Chakravyuha 2K16" at Gojan School of Business and Technology, Chennai on 31st august 2016.
- R.Manoj Kumar and V.Chandru of III year has participated in On the Go and Pirate Invasion in a National Level Technical Symposium "Chakravyuha 2K16" at Gojan School of Business and Technology, Chennai on 31st august 2016.
- R.Ajith Kumar and S.Parthiban of IV year presented a Paper in a National Level Technical Symposium "Kavery Trizone 2K16" at Kavery Engineering college, Salem on 2nd September 2016.
- D.Alexsander and R.Mugilan of IV year has participated in Circuit Debugging and Technical Quiz in a National Level Technical Symposium "Kavery Trizone 2K16" at Kavery Engineering college, Salem on 2nd September 2016.
- S.Vijay and S.Balamurugan of IV year presented a paper in an ISTE sponsored National Level Technical Symposium "iTECH-FEST'16" at IFET College of Engineering, Villupuram on 23rd September 2016.
- S.Thiyagarajan and R.Gowtham of IV year has participated in Technical Quiz and Circuit Debugging in an ISTE sponsored National Level Technical Symposium "iTECHFEST'16" at IFET College of Engineering, Villupuram on 23rd September 2016.
- P.Harish and X.Selvaraj of II year has participated in Technical Quiz in an ISTE sponsored National Level Technical Symposium "iTECHFEST'16" at IFET College of Engineering, Villupuram on 23rd September 2016.
- C.Abinaya, B.Dhivyabharathi, G.Gnanasundari, S.Seventhi and P.Tamilselvi of IV year attended inplant training at 230kV Substation, Capper Hills, Cuddalore from 05th to 09th December 2016.

Industrial visits

- The Vikram Sarabhai Space Centre, a major space research centre of the Indian Space Research Organisation, focusing on rocket and space vehicles for India's satellite programme, Thiruvananthapuram had been visited by IV year students as a part of their curriculum on 27th July 2016.
- The Radio Astronomy Centre (RAC), Udthagamandalam (Ooty) a part of the National Centre for Radio Astrophysics (NCRA) of the Tata Institute of Fundamental Research (TIFR) which is funded by the Government of India through the Department of Atomic Energy had been visited by III year students as a part of their curriculum 12th August 2016.

COMPUTER SCIENCE AND ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Mrs. D. Pauline Freeda, Head of the Dept. / Assistant Professor, Mr. D.Varadarajan, Assistant Professor and Mr.X. Martin Lourdu Raj, Assistant Professor published a paper titled “Mismatch Reduction between current Queue size in red gateways using SSQRED” in EPRA International Journal of Research & Development(IJRD).
- Sr. Avila Therese, Assistant Professor published a paper titled “Cryptography and Efficient Data Transmission for Cluster - Based Wireless Sensor Networks” in International Journal of Multidisciplinary Approach & Studies(IJMAS) /Volume 03/ Issue 05, /September - October 2016.
- Mr. S. Manavalan, Assistant Professor participated in workshop on “Grid and Cloud Computing” at A.K.T College of Engineering, Kallakurichi on 1st & 2nd July 2016.
- Mr. S. Manavalan, Assistant Professor attended a workshop on “Grid and Cloud Computing” at K. Ramakrishna College of Technology, Samayapuram, Tiruchirapalli on 22nd & 23rd August 2016.
- Mr. S. Jerald Nirmal Kumar, Assistant Professor attended two days workshop in Anna University, Chennai on “ National Cyber Defence Summit’16” on 30th September & 1st October 2016.
- Mrs. K.Poornambigai, Assistant Professor attended 7 days Faculty Development Programme on “CS-6801 Multicore Architectures and Programming” at University College of Engineering, Panruti from 23rd to 30th November 2016.
- Mr. D. Varadarajan, Assistant Professor & Mr. A. Deiveegan, Assistant Professor attended workshop on “ Data Science Hands on Session with Open Source tools” at A.V.C. College of Engineering, Mayavaram from 24th to 26th November 2016.
- Mrs. K. Poornambigai , Assistant Professor attended two days National Level Workshop On “Research Methodology” at Meenakshi College of Engineering, Chennai on 21st & 22nd December 2016.
- Mrs. Z. Asmathunnisa, Assistant Professor presented a paper titled “Secure Data storage using Decentralised access in Cloud” in “International Conference on Communication and Control Engineering”(ICCCE’16) at University College of Engineering, Villupuram on 29th and 30th December 2016.
- Mrs.M.Senthamarai Selvi,Assistant Professor, Mrs.K.Poornambigai, Assistant Professor, Mr. S. Rajarajan, Assistant Professor and Mr. A. Deiveegan, Assistant Professor participated in “International Conference on Communication and Control Engineering” (ICCCE’16) at University College of Engineering, Villupuram on 29th and 30th December 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- One day Guest Lecture on “Graph Theory and its Applications” was presented by Dr.Devi Yamini, AP/Dept. of Maths, Amritha University, Bengaluru Campus and Mr. Regin Thangaraj (Research Scholar), Dept. of Maths, IIT Madras on 6th August 2016.
- One day Workshop on “Grid and Cloud Computing” for IV year CSE students was conducted by Mr. S. Manavalan, Assistant Professor on 26th September 2016.

Guest Lecture on “Graph Theory and its Applications”

- Mr. A. Deiveegan, Assistant Professor presented seminar titled “Future Tech” during Engineers Day celebrations at St. Anne’s College of Engineering and Technology on 15th September 2016.
- Engineers’ Day was celebrated on 15th September, 2016. Various activities were conducted for students and staff members.
- Mr. D.Varadarajan, Assistant Professor presented seminar titled “Art of Writing Journal paper” at St. Anne’s College of Engineering and Technology on 23rd November 2016. All department staff members attended the Seminar.

“Art of Writing Journal paper”

“Grid and Cloud Computing”

Students Achievements

- Ms. D. Rani, IV year presented a paper titled “ E-Voting ” in FORZA’16 a National Level Technical Symposium organized by Department of Electrical and Electronics Engineering at St. Anne’s College of Engineering and Technology, Panruti on 26th August 2016.
- Ms. S. Manju, Ms. V.Sumitha of III Year presented a paper titled “ Android based children tracking System” in FORZA’16 a National Level Technical Symposium organized by Department of Electrical and Electronics Engineering at St. Anne’s College of Engineering and Technology, Panruti on 26th August 2016.
- Ms. S.Kalpna of IV year bagged FIRST prize in Traditional Dance Competition conducted for St.Anne’s feast Day at St. Anne’s College of Engineering and Technology, Panruti on 25th July 2016.
- Ms. R. Asha of III year & Ms.Y. Jenifer of II year participated in Anna University Zonal level Shuttle cork Tournament at Tindivanam.
- Mr. Soundararajan of III year participated in Anna University Zonal- level Volley ball Tournament at Tindivanam.

Industrial visits

- Our department II Year students went for Industrial Visit to IANT Technologies, Chennai on 2nd September 2016.
- Our department III Year students went for Industrial Visit to ISRO, Mahendragiri, Tirunelveli on 2nd September 2016.
- Our department III Year students visited St. Anne’s Rehabilitation Center & Old age Home on 3rd September 2016.

MECHANICAL ENGINEERING

Faculty attended Conferences/ Workshops / Seminars

- Mr.D.Ommurugadhasan HOD/Mech and Dr.R.Arokiadoss, Principal published paper with the title "Wear rate Modeling and analysis of friction stir welding of AL6061/sic composite" in the International Conference on Electrical, Electronics, Computer Science and Mechanical Engineering/ ICEECSME on 6th November 2016.
- Mr. U. Naveen Kumar, Assistant Professor, Mr. K. Saravanan, Assistant Professor, Mr. P. Murugan, Assistant Professor attended Five days AICTE - TEQIP Sponsored FDP on "Advances in Materials Processing Techniques" at Pondicherry Engineering College from 5th to 9th December 2016.
- Mr. N.Neelavannan, Assistant Professor, Mr. K.Shanmuga Elango Assistant Professor, Mr. R. Sasikumar, Assistant Professor attended One day Workshop on "Research Methodology" at Kings Engineering College, Chennai on 3rd December 2016.
- Mr. K.Shanmuga Elango, Assistant Professor, attended One day Workshop on "Material Science and Engineering" at CK Engineering College, Cuddalore on 17th December 2016.
- Mrs. Annie John, Assistant Professor, has attended two days Faculty Development Programme on "Stress Management" in Association with ICT academy at MRK Institute of Technology, Kattumannarkoil on 21st & 22nd December 2016.

Guest Lectures/Workshops/Seminars/Events conducted

- Mechanical Engineering Students Association (MESA) Conducted Guest Lecture on "RENEWABLE ENERGY SYSTEM" by Mr.K.Vijaya Basker M.B.A, MD Optimum Energy Solar System Thiruvannamalai on 2nd September 2016.
- Mechanical Engineering Industry Institute Interaction Cell (MEIICELL)&ISTE conducted Guest Lecture on "FORECOMING TRENDS IN AUTOMOBILE INDUSTRIES" by Mr.S.Premanand, Deputy Manager TVS Brakes India Ltd on 24th September 2016.

"FORECOMING TRENDS IN AUTOMOBILE INDUSTRIES"

Students Achievements

- IV year students S. Akshay, M. Gurumoorthy and K. Karthik participated in "Impetus2K16" at Government Engineering College, Salem on 3rd September, 2016.
- IV year students M.Gurumoorthy, K. Karthik and Mohamed Faizal participated in "MEKCHAT" held at Government Engineering College Salem on 16th September 2016.

- IV year students B.Yuvaraj, H.Mohammed Faizal, M.Raj Kumar, M.Guru Moorthy, Karthick, attended workshop on "Transmission System" organized by dept of production engineering in hands of BMW at Government College of Technology on 10th September 2016.

SCIENCE AND HUMANITIES

Faculty attended Conferences/ Workshops / Seminars

- Mr. A. John Peter AP/Physics, had published a book entitled on "Novel Synthesis of Inorganic phosphors for lighting Applications" LAP LAMBERT Academic Publishing, Omni Scriptum Management GmbH, Bahnhofstrabe 28, D-66111 Saarbrücken, Germany. ISBN (978-3-659-96280-6).
- Mr. A. John Peter AP/Physics, had published a paper entitled on "Luminescence properties of novel Li₃Ba₂Gd₃(MoO₄)₈:RE³⁺ phosphors for lighting applications" in Optoelectronics AND Advanced Materials-Rapid Communications, Vol. 10, No. 07-08, pp 472-478, 2016 (Annexure I).
- Mr. A. John Peter AP/Physics, had published a paper entitled on "Synthesis and Luminescent Properties of Tb³⁺ Activated Li₃Ba₂Gd₃-x(MoO₄)₈ Based Efficient Green Emitting Phosphors" in Journal of Applied Science and Engineering, Vol. 19, No. 4, pp. 409 – 412, 2016 (Annexure II).
- Mr. A. Azhagappan, Associate Professor/Mathematics has published research paper titled "Transient analysis of M/M/1 queue with working vacation, heterogeneous service and customers' impatience" in the international journal "RAIRO Operations Research".
- Mr. A. Azhagappan, Associate Professor/Mathematics has published research paper titled on "Analysis of an M/M/c queue with heterogeneous servers, balking and renegeing" in the "International Journal of Operational Research".
- Mr. A. Azhagappan, Associate Professor/ Mathematics has published research paper titled "Transient analysis of M/M/1 queue with server vacation customers impatient and a waiting server timer" in the "Asian Journal of Research in Social Sciences and Humanities".
- Mrs. S.Bharathi AP/English has published research article titled "Potrayal of Indian middle class women in Shashi Deshpandae's "the Binding wine" and Manju Kapur's "Difficult Daughters" in the "International Journal of Law and Social Sciences".
- Mr. A. John Peter AP/Physics, Presented a paper entitled on "Luminescence properties of LBGM: Tb green phosphors", at "The Asian Consortium on Computational Materials Science (ACCMS) ; Theme meeting on first principles Analysis & Experiment :Role in Energy research" held at SRM University, Chennai from 22nd - 24th September 2016.
- Mrs. S.Bharathi AP/English has presented a paper in "Women as central and complementary characters in Margret Atwood's Surfacing and Shashi Deshpandae's "The dark holds no terror": A comparison in the 29th IACS International conference on Canadian Studies organized by School of science and Humanities, Karunya university, Coimbatore.
- Mr. A. Harikrishnan, AP/Physics, has attended Workshop on "Functional Materials And Spectroscopy" organized by the PG and Research Department of Physics, Sacred Heart College Tirupattur on 23rd August 2016.

Guest Lectures/Workshops/Seminars/Events conducted

• A 15 days Bridge course program was conducted for the first year students. Basics of English, Maths, Physics, Chemistry and Computer were taught. HOD's of each Department gave their valuable speech and motivated the students. This course was made very informative and the students were clear about their career choice.

Bridge Course

• A motivational meditation program on "Importance of Yoga" for the 1st year students by Miss. Srividhya and team from Pranich healing and Arhatic yoga center Pudhuchery on 10th August 2016. They taught the basic meditation techniques and gave healing for few students. Students were able to gain the modern skills which would be of great help.

Sports Activities

• Our College Football Team won the First place in Zonal Level Tournament was conducted from 2nd to 5th September 2016 in our College campus.

First place in Zonal Level Tournament

• Our college Volleyball team won the 4th place at Mailam Engg College, Mailam on 25th September 2016.

• Our college kabaddi team won the 3rd place at Karpaga vinayaga College, Madurandagam on 8th & 9th October 2016.

EDITORIAL BOARD

Editor-in-chief

Dr. R. AROKIADASS, Principal

Editorial members

Mr. P.MURUGAN, AP/MECH

Mrs.S. BHARATHI, AP/English

Mrs.S. LESE, AP/EEE

Mrs.Z. ASMATHUNNISA, AP/CSE

Ms. S. DEVIKA, AP/ECE
